ex: Our current Miss Utah Job's Daughter, Madison Hawkins wrote the following platform:

As Miss Utah Job's Daughter, one of my goals would be to focus on promotion events outside of Masonic organizations. Job's Daughters has enriched my life in many ways, and I want to reach out to the girls of Utah about the order. By reaching out to schools and other youth organizations about public speaking opportunities, or having a stronger presence on social media, I believe that we can expand our beautiful Order.
